

Upper Ottawa Valley Medical Recruitment Committee

FAMILY PHYSICIAN WAIT LIST FORM

The Upper Ottawa Valley Medical Recruitment Committee (UOVMRC) has taken the lead in developing a process to track families who are without a family physician and wish to be on a waiting list for a family physician.

The form is for use by people living in the catchment area of the Upper Ottawa Valley Medical Recruitment catchment area which includes the City of Pembroke, Townships of Laurentian Valley, North Algona/Wilberforce, Bonnechere Valley, and the Algonquins of Pikwakanagan.

Interested persons can mail their completed form to:

**The Upper Ottawa Valley Medical Recruitment Committee, Family Physician
Wait List Form, P.O. BOX 641 Pembroke, ON K8A 6X9.**

This form may be filled in on line:
www.theottawavalley.com/physicianwaitlist

Data will be filed, in confidence, by date of receipt. New family physicians or those wishing to add patients to their practices may access forms to acquire new patients.

Family Physician Practices are advised to inform people inquiring about getting a doctor to pick up a form and submit the form as soon as possible to the Upper Ottawa Valley Medical Recruitment Committee.

Registration on the waiting list does not guarantee that an individual will obtain a family physician. If individuals are not called following submission of their form it means that a doctor is not available. For that reason, people are advised not to contact the UOVMRC inquiring about their status on the waiting list.

Please see reverse of this page for the Wait List Form.
